CONDITION 7 NOTIFICATION:

Broadening of enhanced later posting times for Packetsort Plus 2C and Royal Mail Tracked (sortation above 9 ways)

Dear Philip,

I am writing to notify you, under Condition 7 of Royal Mail's Licence, of a change that relates to enhanced later posting times (LPTs) that will come into effect on the 27th June 2008.

An enhanced posting time of up to 20:00 is being introduced for customers posting items using Packetsort Plus 2C (second class) and Royal Mail Tracked (sortation above 9 ways). Customers will need to adhere to all requirements including those relating to access posting times as detailed in the product specification documents.

The actual time of the LPT will be determined by the distance of the customer's posting site from their local Mail Centre. Any customer who would like a later posting time will need to contact their Account Manager or Customer Operations Manager in the first instance.

A copy of this letter has been sent to Postwatch and will be published on Royal Mail's website within four working days.
