**CONDITION 7 NOTIFICATION:
Presstream Premium entry level reduction**

Dear Philip,

I am writing to formally notify you, under Condition 7 of Royal Mail's licence that on 4th November 2009 changes to pipeline access for customers using Royal Mail Presstream Premium product will come into effect. These changes are beneficial for customers, and will make the product easier to use. Royal Mail would like to make these changes earlier than 4th November 2009 as they are beneficial but Royal Mail's Licence, specifically Condition 7 requires a notification period of 3 months.

Presstream Premium entry level reduction at Mail Centres

From 4th November 2009, Royal Mail will reduce the minimum volume per Mail Centre to 250 items for this service. Currently the entry criteria for Presstream Premium are 1000 items per posting with a minimum volume of 500 items per Mail Centre. The overall entry criteria of 1000 items will remain the same; however the minimum volume per Mail Centre will be reduced to 250 items.

Changes will be made to all relevant publications and the product literature will be updated prior to deployment. A copy of this letter is sent to Consumer Focus and will be published on Royal Mail's website within 4 working days.
